The Smart Stepfamily by Ron Deal

A study that will help each couple learn to work through some of the challenges that we face as step parents and also how to help the children adjust with step parents & step siblings.

We believe that we exist for the Glory and Honor of God and for those who are not yet a part of HIS family.

We live this out through small groups, where people gather to live life intentionally with one another.

Wherever you are in life, whether it's a single parent, over 60, a soccer mom, vegetarian, divorcee, a NASCAR dad, gay, filthy rich or dirt poor, in recovery or still an addict. **We welcome you!**

We believe God has called us to do life together through small groups. We encourage you to sign up and start living life intentionally!
